

# PEZT Co.® RRW

> SKILL HOUSE - RAPID RECONFIGURABLE WALL

LIVE TRAINING SIMUNITION® SOLUTIONS

Adapting itself to the specific needs of the units, **PEZT Co.® SIMUNITION® RRW-Skill House**, represents the most innovative solutions currently available for training in CQB (Close Quarter Battle) and raking training activities of the Special Forces, Supporting and Conventional Forces, and for Police Forces units designated for such a purpose. Made with conceptually exclusive panels that allow rapid reconfiguration of the scenarios designed for the use of all calibers of no-lethal marking **SIMUNITION®** ammunition.

In order to recreate any type of variable urban environment in response to training needs, the construction system designed and patented by **PEZT Co.®**, allows the units to create always and rooms with doors and windows, and stairs in the event of multi-story structures.

The whole system is designed and certified in compliance with the local National safety restrictions, regulations and directive.

## AVAILABLE OPTIONALS

- > Breaching Doors, specially designed to interface with the existing structure;
- > “Catwalks” corridors perimeter and/or longitudinal, to view the all the training phases;
- > Exercise Control Room, to manage internal cameras, closed-circuit video streaming, optical and acoustic effects, smoke generator, and more;
- > Briefing Room - Hot Wash Up & After-Action-Review (AAR) for the debriefing at the end of the training.

## 360° BALLISTIC PROTECTION

PEZT Co.® assures that all the components of the **SIMUNITION® RRW-Skill House**, have been designed to accomplish the intended training activities, ensuring the maximum safety.

## INSTALLATION, MAINTENANCE, ASSISTANCE AND CERTIFICATIONS

All the components of **SIMUNITION® RRW-Skill House**, allows for quick and easy installation, disassembly and maintenance.

Upon request, **PEZT Co.®** ensures assistance, and ordinary and extraordinary maintenance with its own qualified technical staff.

In accordance with the provisions of current legal regulations, following the installation and any subsequent maintenance and/or technical assistance, **PEZT Co.®** will (in the Countries where applicable) issue the certifications for the regular execution of the works as required by the Declaration of Conformity of the works and/or systems, carried out in a “workmanlike”.
